ITEM # 5

To: Sacramento Transportation Authority

Subj: Amendment to Contract with Sierra Hart Auto Center for Freeway Service Patrol Operations on Highway 50

RECOMMENDATION:

Authorize the Executive Director to execute Amendment #3 to Contract Agreement No. 03-FSP-01, extending the Period of Performance of Sierra Hart Auto Center on Freeway Service Patrol Beats 3 and 4 for one year to June 30, 2007.

BACKGROUND:

The original contract between the STA and Sierra Hart Auto Center for Freeway Service Patrol services on Beats 3 and 4 (Highway 50 between Interstate 5 and Scott Road) was to end June 30, 2005. Last year, your Board granted the first of two available 1-year extensions, extending the period of performance to June 30, 2006. The contract provides for a second 1-year extension based on satisfactory performance of the contract services and the mutual consent of both parties.

Sierra Hart has expressed their desire to extend the contract and staff finds that their performance on Beats 3 and 4 continues to be exemplary. Therefore, staff recommends the Board grant the second and final contract extension to June 30, 2007.

Respectfully Submitted,
