DISCUSSION

The California State Board of Equalization (BOE) administers transportation transactions and use taxes on behalf of local transportation authorities. The BOE requests that the STA execute its standard agreement for administration of the *New* Measure A sales tax program that will take effect on April 1, 2009.

The Agreement sets forth basic administrative details. The costs to be charged by the State Board of Equalization for its services are set by state law. Staff recommends that your Board approve the attached resolution to approve the agreement.

Respectfully submitted,
