**Recommendation**

Receive Measure A on-going annual program status reports for the quarter ended September 30, 2015.

**Discussion**

Contracts between the STA and Measure A entities require that the entities submit quarterly status reports. The purpose of these reports is to provide your Board and the public with timely information on the progress of Measure A projects and programs.

The status information attached hereto shows revenues and expenditures for *on-going* Measure A programs for the quarter ended September 30, 2015. The affected funds are distributed to local transportation agencies according to the formula set forth in the Measure A Ordinance. The funds are distributed monthly as they are received from the Board of Equalization. A summary sheet of all related expenditures (green) is followed by a more detailed breakout of eligible program expenditures for each of the Measure A entities.
