AGENDA ITEM # 9

UNMET TRANSPORTATION NEEDS PRESENTATIONS

Action Requested: Receive Presentations

Key Staff: Norman Hom, Executive Director

Staffs from the Cities of Citrus Heights, Galt, Isleton, and Sacramento will make presentations regarding their unmet transportation funding needs.

BACKGROUND INFORMATION

As the STA Governing Board begins contemplating a potential supplemental transportation sales tax measure for the November 2020 ballot, we have invited staffs from the local agencies to present their unmet transportation funding needs. Last month, the STA Board received presentations from the Cities of Elk Grove, Folsom, and Rancho Cordova, and the Capital Southeast Connector JPA.

Although the existing Measure A one-half cent sales tax and the recently-enacted (and upheld) Senate Bill (SB) 1 gasoline tax are great boons to local transportation, each agency still has significant needs for which Measure A and SB 1 are not adequate nor are there any other currently available sources of funding. Over the next several months, the various local agencies will identify and inform the Board of their unmet needs so that when the expenditure plan development process begins in the fall, the full scope of transportation needs countywide can be considered.
