NOTICE OF AVAILABILITY REQUEST FOR QUALIFICATIONS FREEWAY SERVICE PATROL

Dear Tow Provider:

The Sacramento Transportation Authority (STA) has issued a Request for Qualifications (RFQ) to tow companies for the provision of roadside assistance and towing services for the SacMetro Freeway Service Patrol (FSP) Program.

The purpose of the RFQ is to establish a list of qualified firms which meet the desired qualifications and requirements established by the STA, Caltrans, and the California Highway Patrol to perform FSP in Sacramento and Yolo Counties. The list of qualified firms resulting from this RFQ may be used to direct subsequent Request for Bids (RFBs) for contracts for specific FSP beats during the next 24 months. **The deadline for submission of Qualifications is ~~December 17, 2018~~ January 7, 2019.** Firms that do not submit Qualifications and firms that do not meet the requirements identified in the RFQ will not be invited to participate in subsequent RFBs.

The RFQ may be viewed at the STA website at www.sacta.org. However, the required RFQ application forms will be sent by request only. To receive a complete RFQ packet—including the required forms—please contact **Jennifer Doll** at (916) 323-0897 or jennifer@sacta.org with your name and title, name of the tow company, mailing address, a contact phone number and your email address.
